OTHER VARIABLE COSTS TO CONSIDER IN PROJECT TOTAL...

**PERMITS**- Nu-Wave pools will run the permits, and deal with the township. You are responsible for any incurred expenses to obtain any necessary local and state permits. \_\_\_\_\_

**ELECTRICIAN**-direct line from panel box to sub-panel and hardwire selected equipment, along with proper grounding around pool area. \_\_\_\_\_

**PLUMBER**- necessary if gas heater is selected, for run of gas pipe form meter to heater. \_\_\_\_\_

**DECK WORK**- whether wood, composite, concrete, or pavers. And based on materials selected and square footage. \_\_\_\_\_

**FENCE**- fence around pool or entire backyard must meet code. Cost to build, or bring to code may be necessary to figure in your total project price. \_\_\_\_\_

**BULKHEAD**- if on the water, the structural back system of your bulkhead may need to be restructured, lowered, or replaced, to accomadate your project plans. \_\_\_\_\_

\* variance and or c.a.f.r.a. permits may be required particular to site location
